

Description

Medicine storage cabinet, double door

High resistance to corrosion

Adjustable feet: nylon

Doors are triple hinged, and lockable
with key

Two-point lock, slides in frame at the top
and base

Controlled medicines compartment
door, double hinged

One-point lock, slides in the side of the
frame

Frame, panels, base, top and shelves:
epoxy coated plate steel

Doors and controlled medicines
compartment: epoxy coated plate steel

Mounted on 4 sturdy supports, all
finished with height adjustable feet

Inside reinforced fixtures facilitate height
adjustment of the 4 shelves

2 Built-in, separately key-lockable
controlled medicines compartment

Clearance underneath the cabinet
allows for easy cleaning

Plain side panels and doors, block view
on cabinet content

All doors have recessed finger grip-hold
along their entirely length, leaving front
flat

Both keys are unique for each single cabinet, key-bow folds away from key-blade avoiding breakage when inside lock.
